

FUNDING SUPPORT APPLICATION FORM
European Technical School on Hydrogen and Fuel Cells 2014
Sentido hotels, Rethymnon, Crete (23-27 June 2014)

Please note that funding support is available for a limited number of participants only.

Funding support covers the course fee of either 845 or 995 euro, the accommodation will depend on availability. The fee includes all accommodation and meals (i.e. attendance at all sessions, accommodation for 6 nights arrive Sunday 22nd of June 2014, depart Saturday 28th of June 2014). Support is not available for travel costs. Recipients are responsible for their own travel arrangements including flights, local transfers etc. Applicants must be working or studying in a relevant field for an organisation which is not a partner in the H2FC Infrastructure project (<http://www.h2fc.eu/>).

Priority is given to early stage researchers, PhD students and those applicants who have applied for access to facilities within the project or intend to apply for access.

Please complete the form below and send with a copy of your curriculum vitae by email to:
H2FCtechnicalschool@ulster.ac.uk

Funding support will be allocated on a first come first served basis, pending approval by the school board. Therefore you are encouraged to submit your application as soon as possible, and no later than **April 1st 2014**.
